

stringModule::processSerial
Command_BowActuator

```
graph LR; A["stringModule::processSerial  
Command_BowActuator"] --> B["checkArguments"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'stringModule::processSerial' on the top line and 'Command_BowActuator' on the bottom line. The right box is white with a black border and contains the text 'checkArguments'. A dark blue arrow points from the right side of the gray box to the left side of the white box.

checkArguments
