

servoStepper::updatePosition
GotoOffset

```
graph LR; A["servoStepper::updatePosition  
GotoOffset"] --> B["servoStepper::stepNext"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'servoStepper::updatePosition' on the top line and 'GotoOffset' on the bottom line. The right box is white with a black border and contains the text 'servoStepper::stepNext'. A blue arrow points from the right side of the gray box to the left side of the white box.

servoStepper::stepNext
