

servoStepper

```
classDiagram
    class servoStepper
    class mute
    class stepServoStepper
    servoStepper <|-- stepServoStepper
    stepServoStepper <|-- mute
```

The diagram illustrates a class hierarchy. At the top is a white box labeled 'servoStepper'. Below it is a dashed purple arrow pointing upwards, with the text 'stepServoStepper' in grey to its right. At the bottom is a grey box labeled 'mute'. This indicates that 'mute' inherits from 'stepServoStepper', which in turn inherits from 'servoStepper'.
