

Plugin_LFO::update

```
graph LR; A[Plugin_LFO::update] --> B[Plugin_LFO::shapeTriangle];
```

A diagram showing a call from the `Plugin_LFO::update` function to the `Plugin_LFO::shapeTriangle` function. The `Plugin_LFO::update` function is represented by a white box with a black border, and the `Plugin_LFO::shapeTriangle` function is represented by a gray box with a black border. A blue arrow points from the `Plugin_LFO::update` box to the `Plugin_LFO::shapeTriangle` box.
